SUMMER SOCCER CAMPS

Through an **NSA** Executive Board approved agreement, **Total Soccer Academy, Inc.**, an Atlanta-based residential soccer academy, will be offering high-level residential summer soccer camps to any NSA player for 5 days/4 nights at a special NSA-member reduced cost. The camp, located in Commerce, Georgia, an easy 50 minutes from Norcross, offers:

- ◆ A training environment with high-level trainers from around the world brought in specifically for this camp
- ◆ Three soccer specific training sessions each day
- ◆ Individual attention - no "lost-in-the-crowd" feeling
- ◆ Three Nutritious athlete-oriented meals per day prepared by the camp chef
- ◆ 24 hour supervision
- ◆ A beautiful setting with a lake, soccer fields, clubhouse, and boarding houses
- ◆ More Fun! Including canoeing and kayaking, ping pong, foosball, and swimming

The cost of these overnight residential camps is normally \$495. However, through the agreement between **NSA** and **Total Soccer Academy, Inc.** any NSA player can register for any camp at the **Special NSA Player reduced cost of only \$399**. (If space allows, NSA players may also bring a friend at the special reduced rate). Space for each camp date is limited to just 34 total players, so you should reserve your spot now (see back). We have compared other nearby residential camps and found that this special NSA offer is at least \$100.00 less than other camps. Do the comparison!
